2. If you live with a spouse or significant other, it can be beneficial to bring them to the appointment with you.
3. We suggest using a voice recording device or app on your phone to record your conversation with the provider. It can be very helpful to go back and listen, as you will be receiving a lot of information.
4. The time needed for your first appointment is about 1-1.5 hours, so plan accordingly.

- **Right to Receive Notification in the Event of a Breach.** You have a right to receive notification if there is a breach of your PHI. After learning of a breach, we must provide notice to you without unreasonable delay and in no event later than 60 calendar days after discovery of the breach, unless a law enforcement official requires us to delay the breach notification
- **Right to a Copy of this Notice.** You have the right to a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.
